

LARGE FORMAT DIGITAL PRINT MEDIA AND LAMINATES

PVC BANNER

- BLACKOUT
- BLOCKOUT

Digitally printed PVC Blackout or Blockout banners are suitable for both indoor and outdoor graphics that demand a block out function resulting in no image show-through. Applications include banners, billboards, hanging banners, building wraps, pole pockets, retail aisle banners and many other sign media applications.

Maizey's PVC Banner Blackout and Blockout materials have excellent durability and is suitable for use on solvent, eco-solvent, UV curable and latex printers (not suitable for dye and pigment inks).
